

**(Sun)**

➤ Love in Adoration is an act of pure love... an impulse rushing out from all my being in order to align itself, *like the needle on a compass*, with the living Person of Christ ... we then meet at the sovereign point of my spirit..

**(Mon)**

➤ Love in Adoration creates a mysterious, a magnetic link that connects our two hearts together and allows Him to penetrate far into the sovereign point of my spirit..

**(Tue)**

➤ Inner tranquility has come to me only after a long period of agony. My love, now both chaste and perfect, has been made *spiritually one* with His Love. As such, He tells me, my Love in Adoration allows His rays to reach all other souls.

**(Wed)**

➤ My Love in Adoration sends out a magnetic signal, drawing His invisible rays ~~ which then, unperceived by me, beat upon, penetrate, and transform my soul.

<< Before laminating, paste this frame to back of the "Sun - Wed" frame.>>

**(Thu)**

➤ This life of Adoration is **a desire of love** in which the entire being, body and soul, allows itself to be taken-over by God. A conversion takes place in the deepest parts of my being: Christ effects a transformation of my being.

**(Fri)**

➤ During Love in Adoration, with *mind in heart*, I rest my gaze upon the Living Jesus in the Eucharist, and all of my being turns towards Him. When my gaze turns to Jesus, my heart and mind are drawn-along in the same direction.

**(Sat)**

➤ Adoration of *Jesus-Eucharist* is an Interior Life based on the loving gaze directed towards Jesus in the Eucharist; it is a conversion of the heart, drawn from the Heart of Christ, beating with love in the Eucharist ~~ like a crystal whose flashes of light radiate from all its surfaces.
