

Sunday / Week One

Oh, Power of Your Will, You alone have this
virtue of communicating the Supreme
Strength, that the Creature can raise
himself to the Single Act of God-Creator.

Monday

Will of God, so admirable, powerful and
desirable. Ah, with Your Empire, conquer
All Souls; become known by them so that
All surrender themselves to You.

Tuesday

Holy Mother, make a visit to my Soul and
all that you find that is not The Will of God,
tear it out with your holy hands. You, Your-
self, call the Divine Will to reign in my Soul.

Wednesday / Week One

My Love, in Your Will I find All Generations.
On behalf of the entire Human Family, I
adore You. On behalf of All, I want to make
Reparation, to love You and to adore You ...
from the First Man to the Last that will exist.

Thursday

I want to create so much Love, so many
Prayers, so many Blessings, and so much
Glory for my God that I compensate for
Everyone and Everything.

Friday

Supreme Majesty, I come before You to
request the Triumph of Your Will ... so that
It might establish Its Dominion and Reign
in All. Together with me, are
All of Your Works, Your Own Will.

Saturday / Week One

Lord, I enter into Your Will. In a Divine Manner,
I substitute myself for All as You did for me.
In this *Divine Ambience* I multiply myself
together with You and in All, to love, repair
and substitute for All and for Each ...
in a Divine Manner.

Sunday / Week Two

Jesus, blow upon my Intelligence. Bind it, by
threads of light, to All Created Minds that
emerge from Your Hands.
May every thread of light say:
Glory, Adoration, Honour,
Love, Thanksgiving
to my three-times Holy God.

Monday / Week Two

Lord, raise my mind in the Supreme Will.
May it thus cover the Intelligences of All
Creatures with Your Will. I now
give You the Adoration, Love and
Submission of All Created Intelligences.

Tuesday

My Father, I offer You Jesus' Blood. Oh, let
this cover all the Intelligences of Creatures
and render hollow all their evil thoughts.
Let this Blood circulate in Your Eternal Will
to cover Everyone and defend Everyone.

Wednesday / Week Two

Supreme Majesties ... the Power of Your Will,
the Wisdom of Your Will and the Love of Your
Will are in communication with the Intellect,
Memory and Will of All Creatures. There-
fore, feel the Echo of Your Own Power,
Wisdom and Love, as I Adore ... Praise ...
and Love You ... in the name of Everyone.

Thursday

I come to enter into The Order of Grace, to
be able to give *the correspondence of love*,
to make reparation for All the failure to cor-
respond with Grace. In my childlike simplicity,
I say:

"Sanctifying Spirit, I implore You to make
Your Will known to All, so that They may
receive Your First Act of Their Complete
Sanctification, which is Your Most Holy Will.

Friday / Week Two

Eternal Majesty, I come to Your feet in
the Name of the Whole Human Family,
of future, present, and past Generations -
to Adore You, to Reciprocate You in love.
I come into Your Volition, where All is
Immense and Eternal, and I find Love ...
in order to give You love for All.

Saturday

I come into Your Paternal Arms
to Adore You, to Bless You,
to Thank You for Everyone.
I come to tie *All the Human Wills* of
All Generations to Your Throne ...
so that Creatures, both Present and
Future, without any exception, adore It,
love It and *give It life in their Souls*.

Sunday / Week Three

Holy Spirit, I freely grant You permission
to reign unconditionally in my Being.
I understand that, having accepted my
Consecration to Your Reign, You will fashion
in me, little by little, the physiognomy of
Jesus. I further accept that my Soul will thus
be inextricably linked to Jesus' Sufferings.

Monday / Week Three

My Father, my Jesus, empowered by
Your Divine Volition, Everywhere
I plant an 'I love You' for You;
Heaven and Earth are full of them.
Therefore, concede to Your Little One
that Your Will descend into the midst of
Creatures, that It make Itself known,
that no Creature do its will again
but, *Always, Yours.*

Tuesday / Week Three

Lord, I immerse myself in
the Divine Volition,
and I take Its Power and Love.
I pour them over ...
(Nominated Persons / Groups) .
I ask that These all receive the Bath
of Love , the Bath of Beauty and
the Bath of the Blood of Jesus.

Wednesday / Week Three

In your Will, Lord, I find myself enclosed
within You and within All Creatures.
I take the Thoughts, Glances, Words,
Movements, Affections, Desires of All
Creatures. I repair these Acts and
implore the *Gain-for- Creatures* of
Light, Grace, and Love.

Thursday / Week Three

My Lord, I enter into Your Volition.
I want to seal Everything with Your Volition
so that You may receive from Everything
the Glory of Your Holiness, Your Love,
Your Power ... in order that nothing
Human may remain that does
not give You Divine Glory.

Friday / Week Three

Most Holy Trinity, I prostrate myself
in a form of profound Adoration, and
beseech You,
through the Merits and Virtues
of Jesus and His Divinity ...
concede to me the Grace of
always being crucified.

Saturday / Week Three

Lord, as one who *must* live in Your Will,
I enter into the Prayers that You,
with bitter Tears, prayed at night for
the Salvation of Mankind. I cover
myself with Your Tears, and dress
myself with Your Prayers. I desire
to live in Your Volition so that Your
Prayers will be poured-out, releasing
their complete fruit upon Creatures.

Sunday / Week Four

Lord, at the break of dawn, I set my will
in Your Will. I decide and affirm that
my will only wants to act in Your Will.
I pray my *Prevenient Act* is not eclipsed
and clouded by Human Ways: by Self-will,
Self-esteem, Carelessness or Neglect.

Monday / Week Four

Lord, You had a special Sorrow
for each Sin. Many Sins remain isolated
and suspended In Your Will, due to
the lack of sorrow from Creatures.
I wish to enter into Your will.
I make Your Sorrow my own
and earnestly cry-out for
each Offense; Sorrow! Pardon!

Tuesday / Week Four

Lord, united with You, with Your Love
and Your Volition, I ask of You *Souls*.
Thus, the beats of my heart,
the motion of my arms,
the blood that circulates in me,
the blinking of my eyes,
the movement of my lips
... ask for Souls.

Wednesday

Lord, I merge myself into You and, in
Your Volition, I restore to You with
my mind All Glory, Honor and
Reparation for those of the Human
Family who did not give this to You
with their Intelligences.

Thursday / Week Four

Lord, as You work in the Divine Will
You make flow, in the Souls of Creatures,
a tiny Divine Coin of an incalculable price.
Lord, as Your Fingers now
flow within mine,
by Your Creative Hands,
in this very instant,
Create, Call, Sanctify, Correct.

Friday / Week Four

Lord, I yearn to unite and identify my-
self with You. I unite with Your Mind to
produce many Lives of Holy Thoughts
in the Minds of Creatures.
By Your Creative Power,
at this moment I, together
with You, wish to create Holy
Desires, Holy Actions in Creatures.

Saturday / Week Four

Lord, in delivering the Creature,
Your Divinity remained wounded
for the very love of those Creatures.
Allow me, Lord, to vividly feel This
Wound of Yours', as if it were my own.
Show me, Lord, the Suffering that I
must *embrace* to save poor Creatures.

Sunday / Week Five

Jesus, I place at Your Feet the
Adoration and Recognition of
the entire Human Family.
With my arms I embrace You
with the arms of All Creatures,
to offer and give You the
Glory of All Creatures.

Monday / Week Five

Jesus, *in Your Volition*, I multiply
myself in both Your Loving Glances
and Your Bitter Tears ...
to be able to give You, in the Name
of Everyone ... complete Glory
and Reparation for All Creatures.

Tuesday / Week Five

Supreme Majesties, with the Power of
Your Will, the Wisdom of Your Will,
the Love of Your Will ...
feel my Adoration, Homage and
Praise flowing in All the
Intelligences of Creatures
which, elevating themselves
between Heaven and Earth,
make You feel the Echo of Your
own Power, Wisdom and Love.

There cannot be anything
great in us in the sight of God
except our passive endurance.

Therefore let us think of it no
more, let us leave the care of
our sanctification to God who
well knows how to effect it.

It all depends on the watchful
care, and particular operation
of Divine Providence, and is
accomplished in a great measure
without our knowledge, and
even in a way that is unexpected,
and disagreeable to us.

Let us fulfill peacefully the little
duties of our active fidelity

without aspiring to those
that are greater, because God
does not give Himself to us by
reason of our own efforts.

We shall become saints of God,
of His grace, and of His special
providence. He knows what
rank to give us, let us leave it to
Him, and without forming to
ourselves false ideas ~~~

Let us content ourselves with
loving Him unceasingly, and
in pursuing with simplicity the
path He has marked out for us,
where all is so mean and
paltry in our eyes, and in
the estimation of the world."

(Jean Pierre de Caussade, S.J.)

Hans Urs von Balthasar:

**“The more firmly the creature
is established in its origin,
the eternity of God,
so much the more fully does
it receive in eternity,
by God’s free, eternal decree,
a share in the
inner divine movement
of the Trinity. ...**

**Man, once in eternity, is no
alien spectator
of a series of events
unrolled before him;
through the light of the
glory dwelling in him,
which is God Himself,
he is enabled to
take part in the
eternal processions,
that is, in the
very activity
of the eternal love.”**
